

### **What is Referrals for a Cause**

Each year the participating offices of White & Associates Insurance choose four local organizations to support through our *Referrals for a Cause* program. For each person that calls our office for a quote and provides the name of the customer that referred them, we donate \$10 to our charity of the quarter. Since our program's inception in 2015, we have raised over \$16,420 for our community.

### **How are the Local Charities Chosen**

The employees of White & Associates vote for which organizations they would like to support for the year. All votes are anonymous.
